## **Cornèr Bank launches myCornèr app**

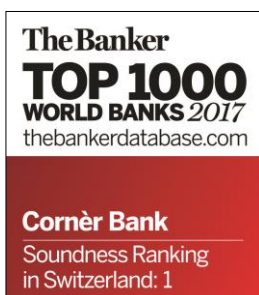

**Cornèr Bank announces the launch of myCornèr app, the main feature of which is providing financial analyses on over 5,000 different investment products.**

myCornèr is the innovative app from Cornèr Bank that offers clients a simple, intuitive way to access financial analyses and investment opportunities for over 5,000 financial products, from equities and foreign currencies to commodities and futures. myCornèr provides fundamental analyses, snapshots of rises and falls in equity prices, and technical analyses.

The app brings together the entire Cornèr Bank product universe with just a single click. As well as providing analyses, myCornèr allows clients to track balances and movements of their bank accounts and Cornèrcard payment cards and use the CornèrTrader online trading platform.

myCornèr can be downloaded free of charge from the App Store and from Google Play. For more information, visit [corner.ch/app](http://corner.ch/app)

The announcement of the new myCornèr app comes just a few weeks after the publication of the statistics by *The Banker*, a prestigious financial analysis magazine published by the Financial Times Group. In its pages, Cornèr Bank once again ranks first in Switzerland in terms of capital soundness, confirming its position of undisputed prestige for the third consecutive year.
