CornèrTrader, the online trading platform of Cornèr Bank, launches Bitcoins trackers

CornèrTrader, the online trading platform of Cornèr Bank, launches two products on Bitcoins, namely Bitcoin Tracker One and Bitcoin Tracker EURO.

Bitcoin Tracker One and **Bitcoin Tracker EURO** are Exchange Traded Notes (ETNs) of recent issuing that reflect the movement of the Bitcoin against the US Dollar. They are both traded on the Nasdaq OMX (Stockholm).

With these instruments, clients will be able to invest in Bitcoins without taking over either the obligation or the risk of owning them and hence minimizing cybersecurity and storage risks.

Both Trackers are immediately available on the CornèrTrader platform.
