**Restrictions on distribution**

The subfunds of Cornèr Funds, umbrella fund under Swiss law, are registered for distribution only in Switzerland.

CB-Accent Lux (SICAV), a Luxembourg open-ended investment company, is registered for distribution in Switzerland and Luxembourg.

In Italy distribution is restricted, for some sub-funds, either to professional investors (Institutional client) or to private clients (Public). Additional information is available in the correspondent Italian subscription form.

The content of the respective information pages is intended only for persons domiciled and/or resident in the countries in which the investment funds or the SICAV sub-funds are registered for distribution. Persons who do not satisfy these requirements must not access these pages.

**Information on risks**

The prices of the units of an investment fund or the shares of a SICAV and the income distributed in respect of those units or shares may fluctuate, because equity and money markets are generally volatile. A positive performance in the past is not a guarantee of a positive performance in the future. The redemption value of units may be lower than the initial investment value. Investments in foreign currencies may fluctuate in value owing to fluctuations in exchange rates.

The equity markets and economies of developing countries often fluctuate significantly in value. Consequently, there is a higher level of risk associated with investments in investment funds with sub-funds investing in those markets. It may be impossible to realise an investment immediately and you may encounter temporary difficulties in selling it, realising the profits or obtaining accurate information as to its value or the degree of risk.

Before making any investment in the funds on this site, you must carefully read the prospectus, any appendices and the warnings contained therein.

**No guarantee**
